

# PARTNER WITH NEAT

By partnering with Neat, you gain access to products and services which provide solutions to hidden problems. Data extraction, key integrations with essential business software, unlimited cloud-based document management, and expense management tools will be the keystones you didn't know you were missing. As a Neat partner, you'll have the tools to provide tailored solutions, support, and training for your own business and the businesses of your clients.

**Neat Pro Gold:** A reseller model offering wholesale billing with discounts up to 30% on list price of Neat software.

**Neat Pro Silver:** A referral model offering commission-based payouts wherein you refer Neat to your clients with a dedicated sign-up link.

To Sign Up: Go to [www.neat.com/partners/accountants-bookkeepers](http://www.neat.com/partners/accountants-bookkeepers)

## Partner Benefits

### Grow your Firm

The Neat Community consists of over 100K small business users. As a Neat Pro, your firm will be included in our directory listing and other referral opportunities.

### Increase Value

Diversify your range of offerings to add value to what you provide and make yourself indispensable.

### Unlimited Support

Gain access to unlimited support with a Dedicated Account Manager and Priority Accountant Support.

### Exclusive Pricing

Create a pricing structure that works for your individual clients; leverage wholesale billing or let your clients manage the billing themselves.

Plus...Free instance of Neat, Discounted software pricing, Access to Partner Resource Center, Certification Badge, and more!
